The Harrington Park Farmers Market will be opening Sunday, August 14, 2022 and will run through Sunday, October 30, 2022. The location will be at the beautiful Highland Field, from 10am-2pm.

Once accepted by the Market Committee, vendors may participate for the whole or partial season. Applications may be received via email, mail or in person.

In light of fairness and prosperity of all participants, the Business Alliance Farmers Market Committee will review each application and approve of which categories you may sell.

Spaces are larger than a 10' by 10' tent, and vehicles are requested to be parked behind your location. While the Market is generous with spacing, the right is reserved to charge extra if expansive encroachment occurs, negatively impacting other vendors. Each vendor must keep a neat display with legible signage at each location.

All vendor tents must be weighted down with a minimum of 25 pounds per leg. Highland Field is notorious for its breezy nature which is enhanced as the season turns cooler. If a generator is required for function, it must be in the rear of your unit so there is no adverse noise to other vendors and shoppers. Anyone who does not abide by these requests may be asked to leave. These are safety and health concerns.

- 8) There is no reservation of spaces, however, the market will do its best to keep vendors in same spaces and will address any concerns or changes the best way possible.
- 9) Please check with Market Management in advance before adding new food items or categories that were not on your application and previously approved.
